MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Federal Technician Participation in Mounted Color Guard, HRO Policy Letter #14

1. The following guidelines apply to all full-time federal technicians participating in the Kansas National Guard Mounted Color Guard (MCG).
2. Technicians who volunteer for the MCG are granted a cumulative total of 108 hours of administrative leave per year. This excused absence is for MCG training purposes only.
3. When a technician volunteers to perform MCG duties as part of a detail they must be placed in a military duty status and take appropriate leave from their assigned technician duty position for the period of travel to and from the detail as well as during the performance of the MCG detail. Guidelines for MCG detail will be handled the same as technicians performing Military Funeral Honors Duty (see guidance in TPP 610 Military Funeral Honors Duty).
4. Coverage under the Federal Employees' Compensation Act for injuries incurred while on excused absence will be determined on a case-by-cases basis by the Department of Labor.
5. Questions concerning this policy can be addressed to me.
