MEMORANDUM FOR Military personnel and civilians

SUBJECT: Thunder Standard

1. The provisions of the Thunder Standard apply to all military personnel and civilians assigned, attached to or visiting the Regional Training Institute (KSRTI). These standards are established to set forth policies that all must know, understand, enforce, and follow.
2. Thunder Standards are to be enforced by all Commissioned Officers, Warrant Officers, Noncommissioned Officers, and enlisted Soldiers. I ask all to know the Thunder standards and to understand that we have standards for a reason. They must be enforced.
3. Many Active Duty, Army Reserve and National Guard Soldiers, Marines, Sailors, Airman and civilians train on and visit this campus every year. We must ensure that visitors are aware of our policies and standards immediately upon their arrival so that they will comply with and enforce them. **All military personnel assigned to the Kansas Regional Training Institute are required to maintain a copy of the Thunder Standard.**

JOHN J. RYAN
Command Sergeant Major
